

Reporting on bundle compliance via WardWatcher

Go to [discharge list](#) in WardWatcher and click on [report](#) and then [reports](#). Click on [care bundle compliance](#) and select. The box below will show.

Enter inclusive start and end date.

From:

To:

Click on one of the following Care Bundles:

- C-line insertion bundle
- Central line insertion bundle
- VAP Prevention bundle

Restrict analysis to following element (optional):

-

- Enter dates required (usually one month)
- Click on bundle you want to report on (top box) and OK
- Give report title if desired.

NB: To look at compliance of individual elements of the bundle do as above and after clicking on bundle, click on element (bottom box) and then OK.
